## VI. REPORTS

### A. DISTRICT SUPERINTENDENTS

#### EASTERN DISTRICT

**G. HUMPERBY**, *[Redacted]* District Superintendent

*Bishop Lowe and Members of the Idaho Annual Conference:*

This is my first opportunity of greeting this group as members of the Portland Area. We congratulate ourselves on our new relationship. In presenting this fourth annual report I am mindful of the gracious Providence that has enabled me to give undivided time and attention to my work, without sickness or accident. I have received continued courtesy and hospitality in every parsonage home and from all official groups I have met.

Our people have shown a loyalty and self-sacrificial spirit that in places has been almost heroic. There has been no let down of interest or sympathetic co-operation. I am confident that the district will show an increase in church membership, also in church attendance. There are also increases and advances that will not show in our reported statistics.

Some of our pastors have had more to eat through donations of produce than in other years. The cash collections for salaries and World Service will show a decided decrease. Our benevolences have been presented by all our pastors.

Improvements have been made on church and parsonage property. The annex educational room at Fairfield has been completed and dedicated free of debt. New roofs, new pulpit platforms, new furnaces and stoves, new rugs, new parkings could be listed. In three parsonage homes there have even been added new "sons-in-law." I list these under improvements.

With the possible exception of the old church at St. Anthony I believe all church properties are insured. The Conference ordered the sale of the St. Anthony property but no one seems to want it at any price.

In accord with recent general conference legislation, I report that I have discovered no record of any cemetery property to turn over ultimately to my successor.

Our Wood River Epworth League institute was said by many to have been the best we have ever held on the Eastern District. The intensity of class work, co-operation between faculty, dean, and students was evident. The spiritual results in inspiration and consecration on the part of our young people has been gratifying to our churches.

Gooding College will be fully reported by President Tenney. We have nowhere in our Methodist Church a more heroic, self-sacrificing group of leaders than that of the President and faculty of Gooding College. I am concerned lest the new required emphasis on designated gifts for fifty per cent of our missionary maintenance appropriations may seriously affect the income of Gooding College through similar designations from the same people.

The quarterly conferences to which I have so far appealed for designated gifts to our Board of Home Missions for maintenance on the Eastern District have responded with approval and agreement to seek designated gifts as follows: Idaho Falls \$300.00, Pocatello \$200.00, Burley \$100.00, Rupert \$100.00 Buhl \$100.00. Other churches will be asked to designate smaller amounts or percentages to this board as we hold our first quarterly conferences.

Two standard teacher-training courses were conducted by Rev. C. L. Clifford, our efficient director of religious education. One was held at Twin Falls with teachers and workers from Hansen, Kimberly, and Filer in attendance. Another was held at Idaho Falls with attendance from Shelley and Blackfoot.

Visitation in the interest of religious education was also made by Dr. Clifford at Ashton, Blackfoot, Salmon, and Pocatello. We are gratified to have Dr. Clifford continued in this office in this area and we pledge him our co-operation through Rally Day offerings in every Sunday School on the Eastern District.

Revival services were held in Mountain Home, Glenns Ferry, Wendell, Jerome, and Castleford. Special Lenten and Pre-Easter services were held by almost all pastors in their own charges. I personally assisted in these meetings at Idaho Falls, Ashton, and Rupert. Successful Daily Vacation Bible Schools were held at Fairfield, Gooding, American Falls, and Salmon. Similar schools would more than justify the small financial expense involved, if all our churches would carry on. They furnish an opportunity for intensive Christian teaching when the children are unoccupied with public school duties.

A hasty sketch of the work of our charges on the district may be of interest to the members of the Conference. I will list the charges from the west to east in their order of location.

Mountain Home has been combined with Glenns Ferry. Preaching services have been given every Sunday morning, with Brother and Sister Bent preaching on alternate Sundays. The Sunday School has reached as high as seventy. The financial resources of the local church are meagre indeed.

This is a mission field and likely to need help for sometime to come. The rent of the parsonage is gradually paying off the loan to our Board of Home Missions.

Glenns Ferry has a spiritual life and atmosphere that maintains a real, live week-night prayer service and a well attended Sunday night service. This is one charge where the salary was not reduced and all bills met to date.

Hagerman has been combined with Buhl and holds an afternoon service with regular help in their Sunday School, followed by preaching by Brother N. H. Lines. If more of our country points would consent to an afternoon service we could furnish them with regular preaching and pastoral service.

Buhl has had a lively year. The Sunday evening service is well attended. The Ladies' Aid Society has raised and paid \$615.00 on the church debt.

Gooding now has an abundance of water for irrigation and is hopeful of more prosperous days ahead. Brother Hamilton has given a wider ministry than just his local congregation. A new auditorium to be added to their commodious basement should be made an Idaho Conference project in order to serve the educational needs of our one Methodist educational center in Idaho. Only one other church on the district has given more in designated World Service gifts than Gooding. I have been fortunate in being able to counsel with Brother Hamilton on many district matters and have profited by his mature insight and long experience as a district superintendent in this Conference. His suggestions and judgments have been of great value.

Wendell had a real ingathering of converts through the revival services held with Misses Kuhlman and Gulliford, evangelists. A flourishing prayer meeting is still going strong and our pastor, J. D. Gillilan, seems to renew his youth. A new church building is imperative to replace the old leaky, creaky, shaky store building in which the services are held.

Castleford responds with enthusiasm to the leadership of Miss Eva Brown who serves as supply pastor. Her work among the young people demonstrates the value of evangelistic emphasis in religious education. It is bearing fruit in well-instructed groups which are ready for membership in our Methodist Church.

Fairfield has had a successful year in spite of many handicaps. Deep snows in winter, bank failures, and unsold crops have not kept the church from growing in numbers and spiritual life. Our pastor, George R. Ellis, covers a large field, preaching regularly also at Hill City, Fairfield, and Corral. The unique auto services held during the late summer in several points on this parish have had as high as two hundred in attendance at the Sunday evening services.

The Lincoln County parish with Shoshone, Richfield, and Dietrich as preaching points has been somewhat of an experiment this year. Shoshone has been without a pastor for about five years and has been slow to respond to an alternate Sunday service rendered by Rev. Tracy Coker, our supply pastor. Richfield has a large group of young people who are loyally appreciative of Brother Coker's leadership. Dietrich has an old hotel building which is used for a church. The building is in sad need of repairs. There are no local resources to keep this church going. It must be carried on as a Mission project.

Jerome has more than held its own in spite of the loss of one or more of its splendid lay leaders. In the death of Brother J. O. Lee our Conference Board of Home Missions has lost a valued member. Our pastor, O. L. Kendall, has led in county relief work and has made a real contribution to the moral life of the entire county through its granges, Rotary clubs and fraternal organizations, and has done so without an hour's neglect of his church interests. The Protestant people of Jerome County look largely to our Methodist Church for spiritual service and consolation.

Filer has a flourishing Sunday School that crowds every nook and corner of the church. If its musical, educational, and social talent could be

matched by its laymen with systematic and aggressive leadership in going after finances, this would be a flourishing charge.

Twin Falls began this year with a serious financial handicap in the way of about \$2,000.00 deficit on last year's budget that had to be included this year. Large congregations have attended the ministry of Rev. Longbrake. Chorus music has been largely featured. Radio audiences far and wide have received inspiration and help through the regularly broadcast services from this church.

Kimberly has remodeled its church auditorium and installed a new heating system. The pulpit now is in the end of the auditorium instead of along the middle. The pastor now speaks directly to his people who sit in front of him instead of on either side of him. Improvements have been paid for and everybody seems happy.

Burley has steadily grown through the spiritual constructive leadership of Pastor Charles M. Reed. We are thankful to God for the recovery of Mrs. Reed, who passed through a long siege of serious illness. All departments of the church are working harmoniously and effectively.

Rupert, through the pastor, Brother Victor Phillips, has rendered a community service that has been outstanding. The city and county officials, also the business men of Rupert, are loud in praise of Brother Phillips in his careful discriminating administration as head of the county relief work. He is also president of the Rotary Club and has filled many speaking engagements outside of Rupert. The church at Paul has been combined with Rupert and will receive afternoon service during half the year, and 9:30 a. m. service during the spring and summer months.

Albion has received pastoral oversight from Brother Reed. The district superintendent has given what preaching services he could each month. Professor Howard, one of the faculty of the State Normal College, in his exposition of the Sunday School lesson each Sunday, really delivers a lay sermon to his class of Normal students.

Aberdeen held a series of union services with the Mennonite and Presbyterian churches. Our pastor, Rev. Charles D. Fletcher, has cared for all the interests of our work. This is his second pastorate in this church.

American Falls church has had a long, hard pull. The territory around this large dam of the Snake River is too high to share in water for irrigation. The large acreage of wheat farming has not contributed much to the financial support of this church. The World Service has been carefully looked after by the pastor, Rev. Henry Fryer, who is greatly beloved by all who know him.

Pocatello as a railroad center has had its ups and downs financially. The yearly report will show an increase in membership, a sustained leadership of the Methodist Church in that town, and perhaps one of the best organized Sunday Schools on the district.

Blackfoot church has now a new roof, its parsonage painted inside and out. Pastor Joyce Kendall has also preached regularly most of the year at Lava Hot Springs, McCammon, and Pingree. He also conducts regular services once each month at the State Infirmary in that town. Plans are going forward through committees for the celebration of the one hundredth anniversary of Jason Lee's visit and preaching near Blackfoot on the old Fort Hall Indian Reservation.

Shelly has been served by Mrs. Ruth B. King as supply pastor. The experiment of bringing in children from neighboring projects to the Sunday services at Shelley has more than justified the small expense involved. Mrs. King has given addresses in other towns to granges, fraternal orders, and missionary societies, and is recognized by both Mormon and Gentile people as a leader in community work.

Idaho Falls has a splendid group of lay leaders who loyally support Rev. Charles M. Donaldson in his pastoral leadership. Every department of this church is working in beautiful harmony and enthusiasm.

Ashton is the center of the largest parish in the Idaho Conference.

Brother Callahan's ministry out in the Teton Basin, and at the Idaho Industrial School has the favorable comment and endorsement of all classes. His work among boy scouts is especially gratifying. As pastor of Protestantism in that vast territory he is sort of monarch of all he surveys.

## WESTERN DISTRICT

H. G. McCALLISTER, *District Superintendent.*

*Bishop Lowe and Brethren:*

Herewith I make to you my second report as superintendent, which will be brief and general, yet I trust comprehensive enough to give a fair view of the field of my labors and the tasks which confront the pastors.

We are very happy to record that no deaths or serious illness have invaded our parsonage homes this past year, although two of the retired ministers have passed to the beyond, Rev. Elmer Grant Keith of Modesto, California, and Rev. C. D. Day of Boise. On the other hand two sons have come to assist their fathers in their tasks, one to the home of Rev. and Mrs. Leslie Bailey, and the other to Rev. and Mrs. Floyd White.

The work throughout the year has been hard, sometimes discouraging, yet withal it has been challenging. Anything that may be said of the depression—and here I use the word once and for all in this report—and its effect upon the work of the church in any of our western conferences can be said of the Western District. However, we have moved ahead and tried to meet conditions as they existed with all that optimism and resourcefulness which usually characterizes the ordinary Methodist preacher.

*Religious Education*—I am confident that we shall be able to report some gains in our religious education work over the district just as we were able to show gains last year. Two midwinter Epworth League institutes were held, one at Union, Oregon, the other at Meridian, Idaho, with a total attendance of about eighty. The summer institute at Wallowa Lake was the largest in the history of the Western District league work with the exception of one year, when the attendance was eight more than this year. This year's enrollment was two hundred and twenty; one hundred and ninety-two received certificates. The faculty was high grade; the work done was good, and a fine, co-operative spirit prevailed. We hereby make our acknowledgment of our indebtedness to the Board of Home Missions for the presence of Dr. Bowen and his class work on race relations. Already Dean Hertzog is looking toward next year in his plans. During the year the district superintendent conducted three teacher-training classes with an enrollment of seventy-one and had calls for several others, and only a lack of time hindered response. Plans for the coming year's work are being completed and three classes are now arranged for with others to follow as soon as arrangements can be completed. It is my opinion that in this work we have a fine opportunity for vital Christian service, deepening the experience and understanding of our people and laying a foundation against much of the so-called Bible study that is being paraded before our people by disgruntled and pharisaic and tramp preachers who have no responsibility to any respectable organization, but are preying upon the heart and mind hunger of our folks through their mystifying and fantastic interpretations of the Bible.

Reports will also show many Daily Vacation Bible Schools with good enrollments conducted independently or in co-operation with other denominations of the community. Many of our pastors have seen the value of these and have used them in the task of kingdom building.

From February 1 to 4 a midyear Idaho Conference or Institute for pastors was held at Boise and attended by most of the conference members. Under the inspiration and leadership of Bishop Brown, Dr. Dawber, Editor E. Laird Mills, and others, those were profitable and helpful days and I

think all pastors and workers returned to their tasks greatly encouraged and strengthened for the further demands upon them.

A report of the work charge by charge would require much time, hence that feature is omitted for this time. However, I wish to say that without exception all pastors and supplies have labored diligently, cheerfully, and without complaint, their spirit partakes of that of the fathers of the past and their adjustments to meet needs speaks highly of their ability and that of the wives of the parsonages. The needs of the men of the district are greater now than last year because low prices for farm products and low wage scales have reduced the supporting ability of our people. This together with decrease in missionary aid creates a problem of support. The way out, so it appeals to me, is to get designated gifts from our churches for the Western District that will maintain our missionary support at its present figure.

Many of our young people are entering college this fall, most of whom are headed toward Gooding, because there, so they feel, they will have better opportunity for self-help, a wholesome, Christian atmosphere and more contacts between faculty and students. President Tenney has been a tireless worker to get his share of the youth turned toward Gooding College and many a young man or young woman will enter school this year because of him. We must not forget Gooding College in the matter of designated gifts as this arrangement permits an opportunity for better support of our only conference institution.

I have tried hard to serve every charge to the best of my ability and the time that could be given, more of which has been given to some than to others. Attention has been called where the need arose to the law of our church and to the discipline governing certain procedure. I have not given universal satisfaction but have tried for the sake of our church and its kingdom task to be faithful to the trust committed to me. I acknowledge my dependence upon the co-operation of the pastors and their boards and hereby express my gratitude to all. The parsonage homes, without exception, have been open to me and cordial receptions have been my experience and I am deeply grateful for all the fine things tendered the man without a church, and much of his time away from home. Bishop Lowe and co-workers, I wish to record my belief in God, the sufficiency of His salvation as revealed in Jesus and my confidence of the triumph of His right over wrong. I pray His overshadowing providence for all for the coming year.

## B. STANDING COMMITTEES AND BOARDS

### CONFERENCE BOARD OF EDUCATION

#### DIVISION OF EDUCATIONAL INSTITUTIONS

##### *Gooding College*

Of a living, helping Christ, whom we have sought in prayer and whose presence we have known and felt, we are gratefully aware.

We acknowledge and thank the Board of Education of the Methodist Episcopal Church for its loyalty and continued support. May we here express our sincere regret at the loss which Gooding College has suffered in the death of the late Dr. Joseph P. MacMillan, who during the last decade has been a true and gracious friend. To Mrs. MacMillan and her children and to the devout and devoted parents of this Christian gentleman we extend our sympathy.

To Dr. Fredrick C. Eiselin and his associates we are grateful for continued support and approval to receive missionary aid and in our hearts are songs of thanksgiving for Nordin Park church and to all other friends, who individually or working through their Sunday School classes, Epworth Leagues, Ladies' Aids, and other organizations by gifts to Gooding College

insure added blessings for themselves and for the students who register for the coming year.

We commend the trustees, the teachers, the students and all other workers for a blessed year, with a constant enrollment and without increasing the debt incurred when the institution was established. We not only endorse, but again urge and pledge our co-operation to realize the recommendations of President Charles Wesley Tenney, that the college be soon and fully accredited by the Northwest Accrediting Association as it has been recognized and approved by the Idaho State Board of Education for the past ten years.

In accord with the plans of Secretary Eiselin and the Board of Education, we recommend the observance of a Public Education Day by an appropriate service and pledge our hearty co-operation to this important work.

We nominate for trustees, H. W. Parker, Hall K. Wallis, and J. Wesley Miller to serve with Bishop Titus Lowe, Frank James, John Thomas, and Addison T. Smith in the class of 1935.

### *Wesley Foundation*

We recognize the responsibility of the church for the religious conservation and development of our youth while attending institutions of higher learning.

The Wesley Foundation is Methodism's program for religious work among Methodist students at tax-supported colleges and universities. This work should be encouraged at all state school centers and ought to receive the very best support of all our people.

There were three hundred and fifty-seven Methodist youth at the University of Idaho last year. The Wesley Foundation associated with our church gives us the only contact with these students.

The Board of Education has approved designated World Service gifts up to \$600 for the maintenance of our work at the University of Idaho. We are entirely dependent upon the churches and individuals in Idaho for this much-needed fund. Regular World Service credit will be given for this support.

We recommend to the pastors and churches of the Idaho Conference that Sunday School Boards, Epworth Leagues, Official Boards, and individuals designate a portion of their World Service giving to our Wesley Foundation program at Moscow, Idaho.

### DIVISION OF RELIGIOUS EDUCATION.

The Religious Education program in the local church is and will continue to be the outstanding means for the religious training of the most of our people.

We approve the work of Area Director of Religious Education, C. L. Clifford, and recommend his continuance. We commend the training of leadership for the church school, the Epworth Leagues, vacation church schools and other educational enterprises of the local church.

We recommend that the Idaho Conference co-operate with the other conferences of the new area in the program of religious education.

We approve the organization of the Portland Area Council of Religious Education, consisting of the resident bishop, the two directors of religious education and two members from each of the four conferences. These conference members to be elected by the conference boards of education.

This Area Council to have the power to elect its own officers which shall comprise the executive committee. The treasurer to serve as area treasurer. The Area Council will recommend the educational directors, to be approved by the conferences and appointed by the Bishop. The council will build the program of activities, and adopt a budget.

For financing the area program we recommend that each church school accept an asking equal to ten cents per member of the total enrollment. This amount to be raised, as far as possible, in the Rally Day offerings. When this is insufficient, the balance to be provided by designated gifts from the

church school, individuals, or the World Service offerings of the church. Full World Service credit will be given.

We recommend a conference treasurer to receive the Rally Day and designated gifts for this purpose, who shall send these to the Board of Education which will return to area treasurer for disbursement.

Your Conference Board of Education has elected as representatives on the Area Council, W. H. Hertzog, H. G. McCallister, and as conference treasurer, E. L. Ashton.

### BOARD OF MINISTERIAL TRAINING

Harry S. Hamilton, H. C. Kohr, C. O. Heath, C. M. Reed, O. L. Kendall, H. G. McCallister, W. H. Hertzog, Victor Phillips, C. M. Donaldson, A. B. Parrett, George Roseberry.

### SPECIAL COMMITTEES

Committee on Rules, Program, and Procedure with power to act. (To provide for next year's program for Annual Conference): H. S. Hamilton, H. G. McCallister, Elijah Hull Longbrake, A. B. Parrett, Hans J. Roan, E. L. Ashton, Dr. J. B. Kenagey, V. O. Humphrey.

### REPORT OF THE CONFERENCE CLAIMANTS ENDOWMENT COMMISSION—August 30, 1932

Three years ago you instructed your Commission to begin a non-high-pressure campaign for the purpose of securing \$100,000.00 as a permanent fund, the interest of which would be used to supplement the inadequate support of our conference claimants. The report of our field secretary and treasurer will show what has been accomplished. You are the judges as to whether we have done well or poorly. However, we suggest that in rendering your judgment you properly take into consideration the general financial conditions which have prevailed for the last three years and have seemed to grow worse from year to year.

We believe that the efficiency of our field secretary has been fully demonstrated; and that the subscriptions secured and the money paid is evidence that the people are in sympathy with our cause.

It is the judgment of your Commission, that to stop now would jeopardize the work already done and greatly hinder future progress.

The necessity for continuing the work of enlarging our Permanent Fund is apparent. The annuity for each year of effective service has never been sufficient; and it is probable that this year it will be fifty per cent or more less than it was a few years ago. The possibility of our Conference entering the New Pension Plan is also dependent upon making the proper provision for the former Service years. Under these conditions we are very reluctant to make the recommendations that we feel compelled to make as to part-time service and compensation for our efficient field secretary (providing he can be induced to continue the work). We recommend that collections, judicious solicitation for subscriptions, and publicity work be continued, as may seem to be expedient under the possible changing conditions which prevail. The amount to be expended for this work shall be left with the Commission; but shall not exceed \$15,000 per year.

It will be admitted by all that the expense of carrying on our campaign has been very moderate; and that if we are to cut that expense as has been suggested and carry on in the way we have indicated only, then we cannot expect the same salutary results for the future that have obtained in the past. Indeed, if we are to have any worthwhile success at all, the pastors must assume a much greater responsibility in creating sentiment for our cause, and the largest kind of a loyalty to the mandatory requirements of the Discipline, and the pronouncements of the Annual Conference. We insist that the ministers are delinquent who ignore the disciplinary provision for

the observance of Veterans' Day; and who fail to take the offering as provided by the Annual Conference.

We designate November 20 for the observance of Veterans' Day, or the next Sunday following which may be conveniently possible and order that an offering be received for the veterans' cause and forwarded the next day to the treasurer, George W. Barnes, 1709 Manitou St., Boise, Idaho. We also recommend that wherever it is convenient the ministers should exchange pulpits for the Veterans' Day observance, and that the visiting minister make a plea for the offering, and see that the people have an opportunity to give.

We request that at the second Quarterly Conference, the district superintendents ask if Veterans' Day has been observed and whether the offering has been forwarded to the treasurer of the Endowment Fund.

We recommend the continuation of Dr. H. W. Parker as field secretary and request the Bishop to appoint him.

As members of the Commission for the coming three years we nominate the following: H. J. Roan, W. J. Luscombe, A. L. Freehafer, and G. W. Barnes.

We ask the Conference to elect nine supplemental members of this commission as follows: one minister and one layman from what may be designated as the sub-districts, Idaho Falls, Twin Falls, Boise, and La Grande, and one member at large. We nominate the following as supplemental members of this commission: Idaho Falls Section, W. O. Cotton, G. G. Roseberry; Twin Falls, O. L. Kendall; Boise, C. O. Heath, F. K. Robinson; La Grande, W. H. Hertzog, H. E. Dixon.

Since the Discipline provides that a conference claimants' anniversary be observed annually, we therefore instruct the Conference Program Committee to set aside Wednesday or Thursday of each succeeding annual conference for such observance.

We respectfully request the Conference Board of Stewards and their treasurer to deposit all funds coming into the hands of that Board with the Board of Pensions and Relief.

## REPORT OF THE BOARD OF HOME MISSIONS AND CHURCH EXTENSION

At an area conference held in Coeur d'Alene, Idaho, July 4-6, 1932 the bishop of the area, district superintendents, and representatives of the Board of Foreign Missions and Board of Home Missions adopted the following policy for the area:

1. A visioning of the challenge of world needs and an honest effort adequately to meet this challenge.

2. The accepting as an objective of the method of fixing goals as adopted by the World Service Commission, that is, the highest actual giving of any one year over a period of four years.

3. That October 16 be observed as Missionary Day with the offerings to be equally divided between the Boards of Foreign and Home Missions unless especially designated.

4. The endorsement of the plan of the Board of Home Missions and Church Extension to protect and provide for the Conference imperative home missionary needs by designating World Service funds as follows:

(1) For the last six months of 1932, one-half of the maintenance appropriations to the Conference for the last half of 1932.

(2) For the calendar year 1933, one-half of the missionary appropriations on the basis of those of 1932.

5. We recommend that this be adopted as the policy of the Idaho Annual Conference and that the district superintendents be requested to put this policy into effective operation.

H. S. HAMILTON.

## FOREIGN MISSIONS

Following the action of the recent General Conference it is obvious that the matter of Missionary Education falls more largely than ever upon the pastor and his co-workers in the local church. *Be It Therefore Resolved:*

1. That we accept our responsibility for informing the church not only of the triumphs of the Gospel in other lands but of the great need which still remains, calling forth our sympathy and support. In this task we will accept any assistance that can be given by the Board of Foreign Missions in the cultivation of this interest.

2. That we accept the general principle that the best World Service year of the last four in the local church become automatically its goal for the ensuing conference year.

3. That we are in accord with the recommendation of the World Service Commission that the proportion of the benevolences raised for the support of the various boards should remain as heretofore, the Board of Foreign Missions receiving 37.25% as usual. This percentage of the total goal of the local church as mentioned above is therefore the apportionment which each local church should send to the Board of Foreign Missions at New York.

4. We recognize the privilege both of individuals and of organizations to designate to particular projects, such as scholarships, and so forth, in which they are particularly interested. When the benevolent giving of the church can be increased or made more appealing, this plan of designation should be followed.

We urge that a large proportion of the entire amount for the Foreign Board be sent to New York undesignated to be used at their discretion.

5. *Resolved, Further,* That we co-operate heartily with the rest of our Church in America in making the sixteenth of next month a day of large ingathering of funds to be divided equally between the Foreign and Home Boards.

Signed,

CHARLES M. REED,

W. C. CRONK,

J. D. GILLILAN.

## AUDITING COMMITTEE

We, your Auditing Committee, desire to report that we have examined the accounts of Dr. H. G. Humphrey, H. G. McCallister, H. S. Hamilton, O. L. Kendall, Joyce S. Kendall, H. W. Parker, and G. W. Barnes, and find them to be correct.

P. C. BENT,  
S. ALLISON,  
A. B. PARRETT.

## COMMITTEE ON TEMPERANCE

The Methodist Episcopal Church has never been and is not now tolerant of any business that, for the sake of money or appetite, would seek to substitute beer for bread, or that would, for the sake of that which is called "personal liberty," take away the liberties of countless numbers of men and women and innocent children.

We, the members of the Idaho Conference of the Methodist Episcopal Church, believe that Constitutional Prohibition is the best method yet devised or proposed to minimize and eventually to destroy the evils of the liquor traffic. We believe that the Eighteenth Amendment to the Constitution of the United States is the only way to prevent the disease, poverty, and crime attendant upon the liquor business.

We call the attention of our people to the testimony of social workers in the large centers of industry to the benefits of Prohibition.

We reaffirm the attitude of our church in regard to this matter as expressed in the Episcopal address and by General Conference action.

We urge our pastors to bring the real facts of these benefits as presented by government statistics, before the people, that the truth of prohibition and the falacies of wet propaganda may be known.

We will work unremittingly for the defeat of any legislator or executive that will not openly declare his opposition to the sale of intoxicating liquor, and the support and strengthening of our prohibition laws. We make this pledge to ourselves and our great leader, Jesus Christ, that we will never compromise with so great an evil.

W. W. DEAL,  
W. B. YOUNG,  
VICTOR PHILLIPS.

## REPORT OF THE BOARD OF HOSPITALS, HOMES, AND DEACONESSES

The meeting was called to order by Victor Phillips, who was elected chairman. Mrs. Walter D. Bach was elected secretary. Mabel Aubin was granted another year's leave of absence and the request was made for the General Board to continue her pension.

The characters of Maude E. Cone and Alice Payne were passed and they were recommended for appointment.

Mrs. Walter D. Bach *nee* Josie J. Blokland requested an honorable discharge from the Board. This was granted.

The work of Mabel Aubin was reported. The meeting adjourned.

MRS. WALTER D. BACH, *Secretary*.

## METHODIST BOOK CONCERN

We wish to express our appreciation for the prompt and courteous services rendered by the Portland Depository of the Methodist Book Concern, and also to call attention to the fact that the best literature for the Sunday School to be found anywhere is published by our own Church, and therefore urge that our pastors do all within their power to supply our Sunday Schools with our own literature.

While we regret the discontinuance of the edition of the *Christian Advocate* published at Portland, at the same time we are happy that Dr. Edward Laird Mills has been retained as the editor of the new *Christian Advocate*, Pacific Edition, published at San Francisco; and we pledge him our loyal support by setting as our goal one *Advocate* subscription for each ten members in every charge of the Conference.

Inasmuch as the newsstands are being constantly flooded with magazines the contents of which are demoralizing to both youth and those of mature age, we urge that a special effort be made this year to place the *Epworth Herald* in as many of the homes of our people as possible. We further recommend to the pastors the new quarterly magazine, *Religion and Life*, and urge that it be given our hearty support.

LESLIE B. BAILEY,  
H. S. HAMILTON,  
C. C. CALLAHAN.

### THE STATE OF THE CHURCH

We assume this report on the state of the church is chiefly that we may look with honest, courageous hearts at conditions as they exist today, to the end that we may be grateful for victories won, and that we may set about rebuilding the altars of the Lord where they have been broken down.

Probably the outstanding achievement during the past quadrennium is that more than five hundred and twenty thousand young people, largely through our Church Schools and Epworth Leagues, were led into fellowship with Christ and membership in the church.

Notwithstanding this there are disquieting evidences of disloyalty to our Lord and to His all-consuming passion for a redeemed world.

"We have come to the place where we know there is no hope for the Church save in God. We recognize in this hour, the futility of mere mechanics, programs, surveys, organizations—all upon which we have hitherto so largely depended. We need to turn to God in penitence and humility. We need to return to the Fountain of Life and give God opportunity to refill our reservoirs with His power and thus meet man's extremity."

To be more definite:

1. We need a new awakening in evangelism.
2. We need to rebuild the family altar.
3. We need to rebuild the prayer service of the Church.
4. We need something after the order of the old Methodist class meeting where we can speak often one to another of what great things the Lord hath done for our souls.
5. The Church in its urgent and oft-repeated appeals for money, made these days, would do well to remember that when Pentecostal blessings came upon the first disciples of our Lord, hilarious giving was one of the immediate results of His grace.

In the old Levitical Law of the Burnt Offering it was required that "The fire should ever be burning upon the altar, it shall never go out." Leviticus 6:13.

*Oh, that it now from heaven might fall,  
And all my sins consume;  
Come, Holy Ghost, for thee I call,  
Spirit of burning, come.*

WM. J. LUSCOMBE,  
JOHN E. GARVER,  
GEO. R. ELLIS.

## VII. MEMOIRS

### CLINTON D. DAY

Clinton D. Day was born in Little Oakley, England, August 21, 1855. He attended private schools in London until the age of fourteen when he with his parents crossed the Atlantic and settled in Bracebridge, Ontario, Canada. He began teaching at the age of eighteen and after two years he moved to Bellview, Kansas and later to Macon City. He answered the call to enter the ministry of the Methodist Episcopal Church and served Springfield, Nebraska two years. He united with the North Nebraska Conference and was pastor at St. Edwards. He was transferred to the Colorado Conference in 1909 and served for sixteen years in the Wyoming Mission, when he was transferred to the Idaho Conference where he served Boise Valley Circuit, Sweet, Fruitland, Somerville, Middleton, Kuna, and Apple Valley. For a number of years he occupied the retired relation but during this time he was active in church and Sunday School.

While in Nebraska he was united in marriage with Miss Jessie Robinson who was his inspiration and helper in all his struggles. To this union were born six children, five of whom are now living. Two of these are college graduates and the other three are well trained. Brother Day never received to exceed \$1000 in salary. The family learned the art of frugal living and industry.

Brother Day was a thoughtful and scholarly preacher. He was the author of *Baptism* published by the Methodist Book Concern.

His body rests in Morris Hill, Boise, but he has gone to the Saviour who was his guide through life.

W. W. VAN DUSEN.

### ELMER GRANT KEITH

Elmer Grant Keith was born near Tipton, Iowa, October 15, 1865, and died March 26, 1932, at Modesto, California. He graduated from Oskaloosa College, Garrett Biblical Institute and received his Ph.D. degree from Milton University. He joined the Iowa (Northwest) Conference in 1888 where he served various charges for several years then transferred to the California Conference serving various charges and was pastor of Epworth Church at San Francisco at the time of the great earthquake there. In 1919 he transferred to the Idaho Conference serving in the Centenary work and Epworth League organization in the Helena Area after which he was pastor of several charges. During a part of his work in the Idaho Conference he was secretary of the conference for many years.

On April 4, 1888 he married Miss Jennie Danskin and to them five children were born. Due to illness and inability to take heavy pastoral work, he took the retired relation in 1930 which he held at the time of his death.

Upon returning to California in 1930, he supplied the church at Riverbank and was making preparations for the Easter services at the time of his death. Realizing that his death was a matter of but a short time, he made complete funeral arrangements. Dr. Rankin who assisted at the funeral service says he "never had a retired minister in his congregation who was so helpful and kind to whom he would go for advice and counsel. Always ready to do any work asked to do, always jolly and happy and full of humor." He was laid to rest in the Modesto cemetery where he had so often officiated while he was pastor.

*Fearst the shadow? Keep thy trust;  
Still the star worlds roll.  
Fearst death? sayest "Dust to dust"?  
No; say "Soul to soul."*

E. RESOLUTIONS

*Resolved*, That we the members of the Idaho Conference hereby express our appreciation in the action of the General Conference making us a part of the Portland Area.

*Resolved*, That we hereby express to Bishop Lowe our gratification in being under his leadership and assure to him our loyalty and wholehearted support in any plan he may have for the Area.

*Resolved*, That we hereby express to the members of the other conferences of the Portland Area, our desire to catch step and plan with them in the effort to capture and hold this great Northwest for the Kingdom of God.

*Whereas*, The forty-ninth session of the Idaho Annual Conference has just been held in the city of Nampa, Idaho,

*Now, Therefore, Be It Resolved*, That we express our deep appreciation of, and gratitude for, the hospitality of the city and churches of Nampa; the splendid entertainment afforded us by the members of this growing church, and the arrangement made for our comfort and convenience by Rev. and Mrs. H. C. Kohr.

That we are especially grateful for the presidency of our area Bishop, Titus Lowe, and for the heart-searching messages that he has given us from time to time. They will long linger in our memory.

That we are most fortunate in having with us, Bishop George A. Miller of Chile, S. A. His messages have been most timely and informative, and have awakened in us a new sense of duty and privilege.

We want to express our gratitude for the contributions of those who have participated in the program, Rev. Ira Gillet, Dr. Walter L. Torbet, President E. H. Todd, of the College of Puget Sound, Rev. C. L. Clifford, Rev. F. A. LaViolette; to the local press, to the choir for their inspiring music, and to any others who in any way helped to make this the outstanding Conference.

The past is now history, the future a possibility. This is a solemn moment, and with bowed heads, we consecrate ourselves to the tasks that are before us, and ask God's blessing upon our efforts.

O. L. KENDALL.  
C. W. TENNEY,

DAIRYMEN of the Pacific coast are conducting a "Swallow the Surplus" campaign to effect a raise in the dairy markets, and your co-operation is needed. There are no foods more healthful than milk, butter, cheese, and ice cream. Eat more of them, and patronize Idaho's dairy industry.

The Dairymen's Co-operative Creamery of Boise Valley believes in the principle of mutual benefit through co-operation. When you patronize a co-operative creamery you are helping to establish the prosperity of your neighbors on the farms. Ask for the butter or cheese made at an Idaho co-operative creamery when you are purchasing foods.

When in Caldwell, visit the Dairymen's Co-operative Creamery's modern plant. You will be pleased to see that it is up to date, efficient, and clean.
